NEWS RELEASE – FOR IMMEDIATE RELEASE

The Yavapai County School Superintendent's Office announced today that the current vacancy on the Seligman Unified School District Governing Board will remain unfilled through December 2026 and will instead be filled through the regular election process.

In light of the vacancy occurring close to the election filing period, it was determined that allowing the position to be filled by voters best supports transparency, continuity, and community participation. Individuals interested in serving are encouraged to seek the office through the election.

The School Superintendent's Office appreciates the interest shown by community members and will continue to support the governing board in carrying out its duties.

If you have any questions regarding the elections process, please call Audrey Isley at 928-442-5138 or email Audrey.Isley@Yavapaiaz.gov.
